TRADE WITH GERMANY, AUSTRIA-HUNGARY AND ARABIA.

In view of the raising of the blockade, the Board of Trade have issued General Licences under the Trading with the enemy legislation authorising, with certain reservations, the resumption of trade with Germany, Austria-Hungary and Arabia.

The Licences do not remove the existing restrictions upon the payment of debts and the return of the property due or deliverable to persons in Germany, Austria-Hungary and Arabia in respect of pre-war transactions.

The licences do not permit the importation from Germany, Austria—Hungary or Arabia of any goods included in the Prohibition of Import Proclamations and not covered by a General Licence issued under these Proclamations. Information with regard to imports into the United Kingdom can be obtained from the Import Restrictions Department, 22, Carlisle Place, S.W. 1. Further, Export Licences must be obtained from the Export Licence Department, 1, Queen Anne's Gate, Westminster, S.W. 1, before goods included in Lists A and B of prohibited exports are shipped to those countries, but no licences are required in respect of goods included in list C.

The text of these General Licences is as follows :—

The Board of Trade, on behalf of His Majesty, and in pursuance of the powers reserved in the Trading with the Enemy Proclamations and all other powers thereunto them enabling, do hereby give and grant licence to all persons and bodies of persons resident, carrying on business, or being in the United Kingdom, to trade and have commercial and financial transactions with persons or bodies of persons resident or carrying on business in Germany-Austria-Hungary :

Provided always that any licence which may be necessary in respect of any transaction under any prohibition of export or prohibition of import for the time being in force in the United Kingdom or in respect of any remittance of money out of the United Kingdom covered by * Regulation 41D of the Defence of the Realm Regulations is first obtained.

Provided also that this licence shall not permit any person or body of persons to pay to or for the benefit of any person or body of persons resident or carrying on business in Germany Austria-Hungary any sum of money which by the terms of the Trading with the Enemy Amendment Acts, 1914 and 1915, or either of them is required to be paid to the Custodian appointed under the Trading with the Enemy Amendment Act, 1914, but such sums of money must be paid to the said Custodian.

Provided further that this licence shall not permit any person or body of persons to pay or deliver any sum of money of property which is, or but for the war, would have been due or deliverable to any person or body of persons resident or carrying on business in Germany-Austria-Hungary in respect of a transaction entered into before the outbreak of war.

Germany-Austria-Hungary in respect of a transaction entered into before the outbreak of war.

A General Licence with regard to Arabia has been issued, dated the 19th August 1919.

URGENT ORDERS.

The Board of Trade, Export Licence Department, announces that, in collaboration with the Department of Overseas Trade, an arrangement has been made whereby firms receiving orders which require immediate acceptance may telegraph details of any such order to the Department of Overseas Trade in order to ascertain whether a licence will be granted for the export of the goods if the order is accepted.

* Regulation 41D of the Defence of the Realm Regulations is now cancelled.

In the event of an applicant being promised a licence he will be enabled to deal with the order straight away with the knowledge that upon application being made in the proper form to the Export Licence Department the licence will be granted.

The telegrams should be addressed to "Orders, c/o Advantage, stock, London." They should give in each case in addition to the name and postal or telegraphic address of the applicant the quantity and description of the goods comprised in the order and the name and address of the ultimate consignee if the goods are destined for a neutral country. In the case of orders from Allied or British Territory or from territory in the occupation of troops of the Associated Governments, the consignee need not be stated; and it will be sufficient merely to give the country of destination. A reply of 24 words (1/3) must be prepaid.

Applicants are requested in their own interest to confine their enquiries to orders needing a very urgent decision, since the fewer the inquiries the more promptly can answers be given.

Any subsequent correspondence that is necessary in connexion with the telegraphic enquiries should be addressed to the Comptroller-General, Department of Overseas Trade (Export Facilities Section), 4, Queen Anne's Gate Buildings, Westminster, S.W.1.

Exports of wool and wastes, noils, tops and yarns.

The Board of Trade (Export Licence Department) give notice that applications will now be considered for Licences to export all classes of Wool, except Australian Wools above 46's quality, in the form of—

(a). Cased Wools.
(b) Matchings.
(c) Scoured in this country.

In the case of applications for other Australian Wools (except Carbonized) exporters are reminded that it is necessary to state the Lot numbers and the Catalogue number of the sale at which the wool was purchased.

Samples should be submitted with applications in respect of all classes of Wool, except Australian Wool in the original bales or purchased at Government Sales at Manor Row, Bradford.

Applications to export the following materials will also receive consideration :—

Wool Waste.
Wool Noils (except fine Crossbred Noil).
Persian Wool Tops.
Tops of 46's quality and under.

Exporters should carefully note the following points:—

1. Licences for Fine Crossbred Noils and for Tops above 46's quality are granted only in exceptional circumstances and when specially allocated by the Supply Department.

Samples should be sent with all applications in respect of Waste Noils and Tops.

2. Delay may be experienced in the issue of licences for Yarns owing to the necessity of limiting, in the interests of home manufacturers, the monthly exports of Yarn.

It is highly desirable that holders of licences permitting the export of Yarn which it is not now intended to export should return such licences for cancellation in order that the full rationed quantity may be exported.

This notice supersedes all previous announcements, and due notice of any future changes in the export policy will be given in this Journal.

Applications for export licences, which must contain full descriptions of the materials to be exported, should be addressed to the Controller, Board of Trade (Export Licence Department), 1, Queen Anne's Gate Buildings, Westminster, S.W. 1.

Extract from the Journal, dated the 18th September 1919.

EXPORT SECTION.

Exports of certain coal tar products.

The Board of Trade (Export Licence Department) desire to draw attention to the fact that the export of—

"Coal tar and derivatives thereof (except solvent naptha, creasylic acid, and mixtures containing creasylic acid) suitable for use in the manufacture of dyes and explosives, whether obtained from coal tar or other sources, and mixtures and preparations containing such products or derivatives";

is still prohibited to all destinations.

Certain coal tar products, such as:—

Naphthalene and its derivatives;
Toluol and its derivatives;
Picric acid;
Xylol and its derivatives;
Carbolic acid crystals;
Anthracene oil;
Benzol and its derivatives;
Cresols (ortho, para and meta) and their derivatives;

were originally mentioned by name in the British list of prohibited exports but these prohibitions have now been merged in the inclusive prohibition on the export of coal-tar products. The export of Naphthalene, Toluol, Picric Acid, and the other coal-tar products above-mentioned, should therefore be regarded as prohibited to all destinations, and applications for licences to export them should be addressed in the usual way to the Controller, Export Licence Department, 1, Queen Anne's Gate Buildings, Westminster, S.W. 1.

NOTICE TO MARINERS No. 448.

BRITISH GOVERNMENT NOTIFICATION CONCERNING THE CESSATION OF ISSUE OF ROUTE INSTRUCTIONS TO MERCHANT SHIPS.

Notice is hereby given that the following communication has been forwarded to the Chinese Government by the British Legation respecting the cessation of issue of Route Instructions to Merchant Ships by the British Admiralty:—

The orders issued by the Admiralty under which masters of British merchant vessels are directed to visit and consult the Shipping Intelligence Officer, Route-giving Officer, or Reporting Officer before sailing from any port are cancelled as from the 28th July 1919, except for certain voyages which may be specified from time to time in 'Mine Warnings to Mariners' or by other public notice.

The issue of Route Instructions to Merchant Ships by British Authorities will be discontinued accordingly on the 28th July, and the majority of British Route-giving Offices will be closed on that date. This will have the effect in practice of closing the British Route-giving Service throughout the world, by which Allied and neutral vessels during the war were instructed as to the routes they should follow, and will result in a reversion to normal peace-time practice, by which masters are responsible for obtaining the necessary hydrographical and other information and regulating their movements in accordance with the same.

The offices at a few important ports will be maintained for a further period of one or two months to give advice and assistance to such masters as may desire it and to deal with any difficulties that may be found at first on the discontinuance of Route Instructions.

The offices which will be retained (subject to amendment) are: Shipping Intelligence Offices at Liverpool, Glasgow, Leith, Newcastle-on-Tyne, Hull, London, Downport, Cardiff, Swansea, and the British Naval Route-giving Offices at New York, Norfolk, Va., Galveston, Colon, Pernambuco, Rio, Monte Video, Madeira, Ponta Delgada (Azores), St. Vincent (C.V.), Sierra Leone, Cape Town, Gibraltar, Malta, Port Said, and Constantinople. Masters are invited and advised to take every opportunity of consulting these officers.

British shipowners and masters have been informed as above and also to the following effect:—

"All available information regarding the areas which remain dangerous on account of mines, and the routes, where such exist, by which those areas should be avoided, is promulgated in the form of 'Admiralty Mine Warnings to Mariners.' Advance copies of these Mine Warnings are sent by post to Shipping Intelligence Officers in the United Kingdom and by telegram to British Consular and Customs officers abroad ('Reporting Officers'); immediately they are prepared; masters who consult these officers will therefore obtain information regarding clearance and alternative routes at an appreciably earlier date than that of its publication in the printed Warnings.

"These 'Mine Warnings to Mariners,' the British versions of which are obtainable through the same channels as Admiralty 'Notice to Mariners,' have been in existence for more than six months, and masters should by now have become accustomed to their use; at the same time, progress in the mine clearance has allowed of a marked simplification in the instructions contained in them.

"It is this that has rendered it possible to discontinue the Issue of Route Instructions from the 28th July, as stated above, but it cannot be too urgently impressed that the necessity for maintaining the utmost care to avoid mine-fields is in no degree lessened; it would be regrettable if the advantages gained by the removal of the irksome but necessary regulation of route should be marred by accidents which would result if the care on the part of the masters, which has contributed so much to the comparative immunity from mining accidents in the past, should be in any way relaxed.

"Masters must be careful to obtain and study all 'Mine Warnings to Mariners,' to mark the information contained in the same on their charts, to keep them corrected and to consult the Reporting Officers abroad to obtain any telegraphic amendments; they must also, when obtaining their clearance in United Kingdom ports, examine any notices which may be posted at the Custom House, as urgent or important information may be promulgated by these means."

Notice is hereby given that on or about the 15th November 1919 the buoyage of the Langshan Crossing and the channel southward of the Langshan Flats to Plover Point, Yangtze River, will be discontinued.

The abandonment of this channel is consequent on the continued rapid shoaling of the Langshan Crossing, which now has only a depth of 14 feet at low water of spring tides.

The Buoys that will be removed are as follows:—

North Bank Buoy.
Langshan Buoy.
Vine Point Lower Buoy.

RECOVERY OF WRECKS.

The wooden barquentine "Hyatan" about 1,200 tons register was picked up by the S.S. "Clan Ranald" on 24th November 1919, about 35 miles east of Divi Point with no crew on board, conditions of vessel, foretop mast gone, main deck awash, hull apparently in new condition. She was towed to Madras Harbour. She is now lying on shore south of the harbour opposite Kelly's Drain. Any claims to the above vessel or her contents are to be sent to the Receiver of Wrecks, Madras.

1919-ஆவது நவம்பர் 24-வது தேதி முன்னதாக தென்கிழக்கே சுமார் 35 மைல் தூரத்தில் பாயமரம் முறிந்த "ஹையதன்" என்னும் பெயரை யுடைய மரக்கப்பல் ஒன்றை "க்ளான் ரானல்ட்" (Clan Ranald) என்ற புகை கப்பல் கண்டு தே பாய்மர கப்பல் உள்ளே தளராத நிலைமை யிலிருப்பதாகவும் தோன்றுகிறது. அதில் மனுஷர் ஒருவருமில்லை. இப்பொழுது இது வெலிய திருவுக்கொலைவுக்கு சேர்ந்த. அதை மதுரை துறைமுகத்திற்கு தெற்கே, "கெல்லி" என்னும் சாக்கடை எல்லிக்கெதிரில் (opposite Kelly's drain) தரைக்கு இழுத்து வந்திருக்கிறது. அது சுமார் 1,200 டன் நிறையுடையது.

The wind, rain and general weather registered are for the correct civil day—from midnight to midnight.

The total quantity of rain collected since January 1st is 45·44 inches, the average due for the same period being 45·38 inches.
